LAUNCH DATE

FIRST REVIEW DATE

01 FINISH THE FILES

- [ ] Approve the complete manuscript and resolve outstanding questions.
- [ ] Check the final EPUB and, if needed, the print interior and cover.
- [ ] Approve the localised title, subtitle and book description.
- [ ] Compare the cover with relevant books in the target market.
- [ ] Research and check native-language keywords.
- [ ] Select accurate categories for your marketplace and format.

02 PREPARE TO PUBLISH

- [ ] Create a separate KDP title; check language and AI disclosures.
- [ ] Confirm ISBNs, contributor credits and publishing rights.
- [ ] Preview every uploaded format; inspect a print proof if applicable.
- [ ] Set a market-appropriate price and check estimated royalties.
- [ ] Check the live listing, sample and retailer links.

03 HELP READERS FIND IT

- [ ] Prepare checked marketing copy and cover assets.
- [ ] Confirm reviewers, creators or promotions and their requirements.
- [ ] Choose one discovery channel, a budget and a review date.
- [ ] Track sales, royalties, promotion costs and reader feedback.
